Description

Each glass for the Mawa Bergamo is elaborately handcrafted and consists of three layers of glass. Small bubbles or slight deviations in size and glass thickness may occur; in any case, these are a sign of quality craftsmanship. The Mawa Bergamo is supplied as standard with a 250 cm long cable. This lamp is offered in different glass colours and different colours of mounting. Ceiling canopy and cable are each in the matching colour to the suspension. On request the lamp is also offered with other cable lengths or colours.
