

Betec

Acus

Technical details

Country of Manufacture	 Germany
Manufacturer	Betec
Designer	Horst Lettenmayer
protection	IP20
Scope of delivery	LED
material	brass
surface	chrome
dimming	Touch Dimmer
Wattage	18 W
LED	inclusive
Colour Rendering Index	>92
Luminous flux in lm	1,183
Color temperature in Kelvin	3,000 warm white
lamp stand dimensions	30 cm
Dimensions	H 215 cm

Description

The Betec Acus has a flexibly adjustable lamp arm that can be tilted in any position. The integrated LED light source runs almost the entire length of the lamp arm. Wherever vertical or horizontal illumination is desired in a room, this modern floor lamp is an expression of innovative elegance. The lamp can be used as office, object, shop window or stand lighting for modern sculptures and large paintings. The Acus by Betec has a touch dimmer on the lamp arm. A short touch on the metallic surface of the lamp switches the light on and off. A longer touch is used for dimming and changes the brightness from 0 to 100 %. Depending on the orientation of the lamp arm, the floor lamp is a maximum of 215 cm high and has a surface in glossy chrome.
