### Description

The Mammalampa The Queen Floor Lamp is a floor lamp with a shade that is gold-plated from the inside (23.75 carats). The spherical, gold-plated shape creates the illusion that the entire inner surface of the sphere emits light. The lampshade made of corroded steel has a diameter of 57 cm. The pole and base of the floor lamp are made of steel. This floor lamp has a total height of 205 cm. The round steel base guarantees a particularly high stability. The lamp is handmade from exclusive materials. The two surfaces steel and gold are hand-finished; the golden shine of the inner lampshade of The Queen Floor Lamp is guaranteed by the handwork of experienced goldsmiths.

On the supply line of the floor lamp there is an on/off switch. The lamp has two E27 sockets that can be operated with halogen lamps or LED retrofit. All lamps of the manufacturer Mammalampa are exclusively designed and handmade by the manufacturer himself.
