Technical details

Country of Manufacture	 Spain
Manufacturer	Arturo_Alvarez
Designer	Arturo Alvarez
Year of design	2021
Protection class / IP rating	IP64
Contents of the package	Leuchtmittel/Bulb
material	stainless Steel, steel
cable color	black
Height adjustment	height determinable
dimming	dimmable on site
Base / Socket	E27
Power (max. Watt)	15 Watt
canopy dimensions	12 cm
total height	150 cm
Dimensions	H 50 cm B 23 cm L 25 cm

Description

The Arturo Alvarez Tempo Andante TEAN04-EXT is suitable as an outdoor lamp with the protection class IP64, as it is dustproof and protected against splashing water from all sides. Its lamp shade is 50 cm high, 25 cm long and 23 cm wide. It consists of a lacquered stainless steel metal mesh and is available in white and grey. On request, the lamp is also offered in taupe and beige. This stainless steel metal mesh is a translucent and flexible mesh made of metal, which is shaped into the desired form and structure during production. The black, waterproof neoprene cable of this pendant light can be shortened if necessary. The lamp can be operated with an E27 LED retrofit.

The Tempo is a pendant light collection made of lacquered stainless steel mesh. This material, worked in fine folds, forms two overlapping layers that create two different lamps full of dynamism. Andante and Vivace are two forms full of liveliness that emerge from one. They are the representation of two moments created by the same movement at different speeds.
