Description

The lamp shade of the Maigrau Fly Oblique pendant lamp has a diameter of 50 cm and a height of 25 cm. The lamp shade is available in the colours white and bronze grey. The pendant lamp is suspended on four thin steel cables and can be individually suspended in the total height during assembly.

The Fly Oblique pendant light is operated with a power-efficient, dimmable LED. The light colour of the LED changes to a warmer tone when dimmed with the dim-to-warm function (from 3,000 Kelvin warm white to 2,200 Kelvin extra warm white).
