Description

The Bover Amphora 03 LED has a bellied lamp body. The lamp body is made of polyethylene and is woven by hand. The light shines through the wickerwork in rattan look. The three-legged lamp base of the Amphora 03 LED by Bover is provided with a brown oxidation protection. The floor lamp is available in light beige and brown.

As illuminant, the Amphora 03 LED has a powerful LED with a colour temperature of 2,700 Kelvin extra warm white. The floor lamp is available as non-dimmable or dimmable with a trailing edge phase. The non-dimmable floor lamp is connected via a 369 cm long black cable with plug. The dimmable aluminum, polyethylene, stainless Steel lamp is connected via a connection box and can be fixed to the floor using the accessories supplied. This lamp, which is also suitable for outdoor use can be fixed to concrete, hollow concrete, lightweight concrete, brick, hollow brick and natural stone.
