<b>Contents of the package</b>	LED
<b>material</b>	stainless Steel
<b>beam angle</b>	30 - 60 degrees
<b>dimming</b>	dimmable on site
<b>LED</b>	inclusive
<b>Luminous flux in lm</b>	1,266
<b>Color temperature in Kelvin</b>	2,700 extra warm white
<b>Lens diameter</b>	67 mm
<b>system performance</b>	2 x 4.7 Watt
<b>Dimensions</b>	H 15 cm   L 30 cm

### Description

The Licht im Raum Ocular Spot 2 Zoom semi-recessed has two swivelling lenses, each with a diameter of 67 mm. To change the beam angle of the light, the lenses can be zoomed in or out. In this way, the beam angle can be variably adjusted between 30 and 60 degrees. The Ocular lenses focus and control the light in a precise, glare-free manner, creating superior light quality.

The Ocular Spot 2 Zoom semi-recessed has two lamp heads that can be aligned via a swivel and tilt joint. The wall and ceiling lamp is made of stainless steel and is available with a matt nickel or polished finish. The rectangular recessed box is semi-recessed into the wall or ceiling.
