

Foscarini

Chapeaux V

Farbe

- grey
- warm white

Technical details

Country of Manufacture	 Italy
Manufacturer	Foscarini
Designer	Rodolfo Dordoni
Year of design	2023
diameter	29
Materials	Metall, Glas
Cable colour	transparent
cable length	155 cm
Dimmability	Touch dimmer
Power in watts	7,5 W
LED #	inclusive
Colour rendering index (CRI / Ra)	>90
luminous flux	900
color temperature (kelvin)	2.700 extra warm white
Protection class / IP rating	IP20
Contents of the package	LED
Dimensions	H 47 cm Ø 29 cm

Description

The compositional elements of Chapeaux V, the table lamp with direct and diffuse light designed by Rodolfo Dordoni, have been reduced to a minimum. At the centre of the design are three shades - different in shape, material and finish - that rest freely on a central, cylindrical borosilicate glass body open at the ends, which also carries the light source: an opal polycarbonate ampoule that encloses the lighting components and appears to float in the glass. The brushed aluminium bracket attached to the top is a touch dimmer with three light levels that saves the last selection when controlled by a wall switch. In the V version, the shade is made of hand-blown flashed glass with a glossy surface. The light partially flows through the shade and illuminates it from the inside to create a soft atmosphere. In the warm white version, the glass colour is white when switched off and ivory when switched on thanks to an inner layer of glass in a straw yellow shade.
