

Bover

Bol S/6L

Technical details

Spain **Country of Manufacture** Manufacturer Bover

Estudi Manel Molina Designer

2022 Year of design

Aluminium, Stainless Steel, Brass, material

Polycarbonate

color black cable length 230 cm

height adjustment height determinable

dimming trailing edge Wattage 6 x 12 W LED# inclusive 90 **Colour Rendering Index** Luminous flux in Im 10080

Color temperature in

2.700 extra warm white Kelvin

protection IP20 Scope of delivery LED

bulb exchange at the manufacturer / at the factory **Dimensions** H 76 cm | B 99 cm | L 114 cm

Description

Inspired by classic Maria Theresa chandeliers, the Bover Bol lamp was created as a large, contemporary chandelier whose charm lies in its opaque body and the upper and lower light path emitted from its shades. Other applications such as floor lamps, wall lamps or table lamps are also available. Light, floating structures with a discreet, stylish lighting effect in the dark. The central structure of the Bover Bol lamps consists of various stems and shades that can be connected to each other via a central rod. This makes it possible to create different figures, both horizontally and vertically, even continuous sequences.
