## Descripción

The Serien Lighting Curling Suspension Tube LED clear pendant lamp directs its light evenly downwards and to the sides. Its total height can be individually adjusted during installation. The total height is 110 cm. This Curling pendant light is available with a lamp shade in three sizes. The lamp shade of the Small lamp has a diameter of 18 cm, the Medium lamp shade 25 cm and the Large lamp shade 33 cm.

The Curling Suspension Tube LED clear is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. DALI dimmable lamps are also available on request. In addition, the Small and Medium lamps are also on request available with dim to warm function. The versions with dim to warm function imitate the dimming behaviour of classic incandescent lamps, which is perceived as pleasant.
