<b>Diseñador</b>	Michael von Jakubowski & Rainer Krause
<b>Índice de protección / Protección IP</b>	IP20
<b>Contenido del paquete</b>	Leuchtmittel/Bulb
<b>material</b>	acero Inoxidable, aluminio, crista vidriol
<b>superficie</b>	acero inoxidable pulido
<b>Atenuación</b>	Regulable en el sitio
<b>Dimensions</b>	H 8 cm   B 30 cm   L 60 cm

## Descripción

The Anthologie Quartett Crystal Rain Ceiling Lamp Oval is designed by Michael von Jakubowski and Rainer Krause. The appeal of this oval ceiling lamp is in its brilliant combination of brilliant crystal glass and a handmade mirror-polished stainless steel structure. Unlike lamps Collections Cellula and Jahreszeiten (with diverse hand-polished crystals), the crystal glasses for the light Crystal Rain are machine-polished with a very high standard.

The series Crystal Rain by Anthologie Quartett consists of round and oval pendant, ceiling and wall lights. The diameter of the oval ceiling lamp Crystal Rain is optional 60, 90 or 120 cm. The smallest ceiling version has 6 lamps and the dimensions 60 x 30 x 7,5 cm. The medium-sized is 90 cm long, 45 cm wide and 11 cm high with 8 lamps. The largest light is equipped with 12 lamps (dimensions 120 x 60 x 12,5 cm). Note: by using retrofit sockets (G9 or E14), state-of-the-art light sources can also be used in the future. In terms of sustainability, the lamp can therefore shine in its light for many years to come.
