Durchmesser in cm

- 60
- 90
- 120

Technical details

País de origen	 Alemania
Fabricante	Anthologie Quartett
Diseñador	Michael von Jakubowski & Rainer Krause
Índice de protección / Protección IP	IP20
Contenido del paquete	Leuchtmittel/ Bulb
material	crista vidriol
superficie	acero inoxidable pulido
longitud del cable	250 cm
Atenuación	Regulable en el sitio
Dimensiones	H 8 cm B 30 cm L 60 cm

Descripción

The Anthologie Quartett Crystal Rain Pendant Lamp oval is designed by Rainer Krause and Michael von Jakubowski. The appeal of this oval pendant lamp is in its brilliant combination of brilliant crystal glass and a handmade mirror-polished stainless steel structure. Unlike the other lamps Collections Cellula and Jahreszeiten (with diverse hand-polished crystals), the prism for the light Crystal Rain are machine-polished with a very high standard.

The series Crystal Rain by Anthologie Quartett consists of round and oval pendant, ceiling and wall lights. The diameter of the oval pendant lamp Crystal Rain is optional 60, 90 or 120 cm. The smallest version of the Crystal Rain Pendant Lamp oval has 6 lamps and the dimensions 60 x 30 x 7,5 cm. The medium-sized is 90 cm long, 45 cm wide and 11 cm high with 8 lamps. The largest light is equipped with 12 lamps (dimensions 120 x 60 x 12,5 cm). Note: by using retrofit sockets (G9 or E14), state-of-the-art light sources can also be used in the future. In terms of sustainability, the lamp can therefore shine in its light for many years to come.
