

Vibia

Cosmos 2511

Version

- De tamaño medio difusor verde
- De tamaño mediano de color gris claro difusor

Technical details

País de origen	 España
Fabricante	Vibia
Diseñador	Lievore Altherr Molina
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
material	ABS, acero, policarbonato, poliuretano
Ajuste de altura	altura determinada
Atenuación	DALI regulable
LED	incluyendo
Índice de reproducción cromática	>80
El flujo luminoso en lm	1.455
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	Longitud 42 cm, anchura 28 cm
El rendimiento del sistema	3 x 4,5 + 1 x 1 Watt
altura total	200 cm
Dimensions	B 24 cm L 65 cm

Descripción

The Vibia Cosmos 2511 is a lamp consisting of three, round, disc-shaped lamp shades made of polycarbonate in various sizes and colours. The smallest lamp shade measures 19 cm in diameter and is dark brown matt, the middle is 27 cm in diameter as well as green matt or light grey matt and the largest lamp shade is 48 cm in size as well as white matt. The medium-sized lamp shade is available in matt green or light grey matt.

The three lamp shades can be suspended up to a maximum of 200 cm. Three modern 4.5 watt LEDs and one 1 watt LED are included. The Cosmos 2511 is a three-lighted pendant lamp, which is reminiscent of a constellation of different moons. The light can be dimmed on site by an external dimmer (DALI, push or 1-10 Volt). A with Casambi module dimmable version is also available on request. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. The lamp was designed by Lievore, Altherr and Molina.
