<b>Dimensions</b>	H 36 cm   Ø 39 cm

### Descripción

The Lightyears Suspence P2 is the larger of two pendant lamps of this collection with a diameter of 38.5 cm. It is available with two cable lengths: 300 cm or 600 cm. The cables can be shortened if necessary. The Suspence P2 pendant light is offered in the surfaces white, black, light grey matt and copper glossy. For all versions except for copper, the cable has the same colour as the shade, only the cable for the copper version is black.

The canopy is always white. In the lower end of the shade a diffuser is located, which produces a direct downward, glare-free light. The pendant light was created in the year 2013 by GamFratesi.
