

Vibia

Mayfair 5520

Oberfläche

- verde
- naranja

Technical details

País de origen	 España
Fabricante	Vibia
Diseñador	Diego Fortunato
año	2016
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
Diámetro en cm	30
material	acero, metacrílico, policarbonato
Ajuste de altura	altura determinada
Atenuación	1-10V regulable
LED	incluyendo
Índice de reproducción cromática	>90
El flujo luminoso en lm	2.027
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	16 cm
El rendimiento del sistema	1 x 2,4 + 1 x 12,6 Watt
altura total	200 cm
Dimensions	H 6 cm Ø 30 cm

Descripción

The Vibia Mayfair 5520 pendant lamp has a translucent shade which for the most part directs the light directly downwards. In part, the light is also emitted through the shade into the room and upwards, where it is reflected by the wall or ceiling. The lamp is an update of pendant lamps over billiard tables, whereby the designer Diego Fortunato chose a fresh, innovative design. The lamp shade is available in green or orange. In both versions, the light rod is in graphite grey. The pendant light is height settable and dimmable on site with 1-10 volts or Push. A DALI dimmable version or a version with Casambi module is also available on request. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer. In addition to this lamp with translucent shade, the Mayfair 5525 with opaque shade and other surfaces is also offered from the series.
