año	2018
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
Diámetro en cm	35
material	aluminio, madera, metacrilato
Atenuación	1-10V regulable
Potencia en vatios	12 W
LED	incluyendo
Índice de reproducción cromática	>90
El flujo luminoso en lm	644
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensions	H 19 cm Ø 35 cm

Descripción

The Vibia Duo 4874 ceiling lamp combines two different materials: the oak wood inside suggests closeness to nature and warmth, while the aluminum outside stands for innovative technology. This ceiling lamp is mounted on the ceiling and has a diameter of 35 cm. It is available in the surfaces graphite-grey, cream-white and white. All surfaces are matt lacquered. The ceiling light can be dimmed on site with 1-10 volt and is also offered on request as a DALI dimmable version or as a version that can be dimmed with an optional Casambi module via smartphone app. On request, this light is also available with a colour temperature of 4,000 Kelvin white.
