

Vibia

Tempo 5770

Oberfläche

- gris grafito
- crema - blanco
- verde
- rojo

Technical details

País de origen	 España
Fabricante	Vibia
Diseñador	Lievore Altherr
año	2018
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
Diámetro en cm	25
material	acero, aluminio, vidrio
Ajuste de altura	altura determinada
Atenuación	1-10V regulable
Potencia en vatios	4 W
LED	incluyendo
Índice de reproducción cromática	>90
El flujo luminoso en lm	415
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	16 cm
altura total	200 cm
Dimensions	H 18 cm Ø 25 cm

Descripción

The Vibia Tempo 5770 is a pendant lamp with a classic bulb shape under a disc-shaped reflector. The reflector has a diameter of 25 cm. Tempo pendant lamps are a design by Lievore Altherr. Suspended from the cable, the blown glass diffuser offers subtle nuances of transparency and translucency. All models of the Tempo collection incorporate LED lighting. They are inspired by degrees of luminance and the interplay of opacity, translucence and transparency. The Tempo pendant lamp collection integrates perfectly into all types of spaces and contemporary interior design projects.

The lamp is available in graphite-grey, terracotta-red, cream-white and green surfaces. All surfaces are matt lacquered. The standard colour temperature is 2,700 Kelvin extra warm white, on request the pendant lamp is also available with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. A special cable length is also available on request. The light can be dimmed by the customer with 1-10 volt or Push, on request versions are also available which are DALI dimmable or which can be dimmed with an optional Casambi module via Smartphone App. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer.
