material	metal, vidrio acrílico
Atenuación	Regulable en el sitio con control de fase inversa
Potencia en vatios	15,8 W
LED	incluyendo
Índice de reproducción cromática	80
El flujo luminoso en lm	2.646
Dimensions	H 5 cm L 15 cm

Descripción

The Decor Walther Box 15 N LED is a rectangular wall lamp with a length of 15 cm. It emits light both downwards and upwards. The light is scattered evenly and glare-free by a diffuser made of white matt acrylic glass. Some of the light also radiates to the wall, from where it is reflected into the room. The lamp is available in chrome, satin nickel, gold (glossy), gold matt, black matt, white matt and rose gold finishes. An LED is integrated which can be dimmed on site with a trailing edge phase dimmer. This wall lamp is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. The lamp with a colour temperature of 2,700 Kelvin extra warm white is also available in dark bronze on request. The Box 15 N LED is with IP44 protection also suitable as a bathroom light. It is thus protected against splashing water from any direction and against solid foreign bodies with a diameter of at least 1 mm. In addition to this LED version, a R7s halogen version is also on offer.
