Descripción

The Decor Walther Box 15 wall lamp radiates light at the same time upwards and downwards. Through a diffuser of white matt glass, the light is glare-free and evenly scattered. The lamp is made of metal and is available in chrome. The lamp is 15 cm long, 5 cm high and 10 cm deep. The Box 15 has protection class IP44 and is therefore also suitable as a bathroom lamp. It is protected against splashing water on all sides and against solid foreign bodies with a diameter of at least 1 mm. A R7s halogen lamp with a maximum output of 100 watts can be used as the illuminant. Both versions with integrated LED and other sizes are available from this light series.
