Descripción

The Decor Walther Box 1-40 clip-on lamp for mirrors emits direct and indirect light. A diffuser made of white matt glass ensures a glare-free and homogeneous emission in both directions. This lamp can be mounted on a mirror with a maximum thickness of 6 mm and is 40 cm long. Thanks to the IP44 protection class, the Box 1-40 is also suitable for use as a bathroom light as it is protected against splashing water from any direction and against solid foreign bodies with a diameter of at least 1 mm. In addition to this Box mirror plug-in lamp, which operates with two R7s halogen lamps, versions with integrated LED are also offered.
