### Descripción

The Decor Walther Bloc 60 wall lamp is 60 cm high, 5 cm wide and 10 cm deep. This lamp can be installed both vertically and horizontally. It is available in chrome or satin nickel finish. A diffuser in white satinised glass ensures that the light emitted is glare-free. The Bloc 60 radiates its light to the sides and to the front. Thanks to a protection class of IP44, this wall light is protected against splashing water on all sides and against solid foreign bodies with a diameter of at least 1 mm, making it suitable for use as a bathroom light.
