año	2003
protección	IP20
Volumen de suministro	Leuchtmittel/Bulb
Diámetro en cm	20
material	crista vidriol, metal
longitud del cable	200 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
Dimensions	H 35 cm Ø 20 cm

Descripción

The Vistosi Damasco SP G pendant lamp is made of mouth-blown crystal glass, which is coated by hand with threads of melted crystal glass. The lamp emits light downwards through an opening at the lower end. The transparent glass diffuser also emits light into the room, creating reflections on the surface of the lamp. The Damasco SP G is available in the glass diffuser colours crystal clear and amber. The pendant lamp is 35 cm high and has a diameter of 20 cm. It is available as an E27 and LED lamp. The E27 lamp is also suitable for LED retrofits. The LED lamp has an integrated LED with a colour temperature of 2,700 Kelvin extra warm white and is dimmable with a trailing edge phase dimmer. On request, it is also available with a colour temperature of 3,000 Kelvin warm white or 0-10 Volt dimmable. The lamp's cable can be shortened if necessary. With the supplied ceiling hook, the pendant lamp can also be mounted independently of the power outlet.
