### Descripción

The Bover Tria Set 3 LED wall light is manufactured by the Spanish lamp designer Bover. This LED wall light consists of wood and is available in different surfaces. In version 1 all three elements are lacquered in white satin, in version 2 all three elements are in natural oak. In version 3, the two outer elements are white and the middle element is natural oak. The three interconnected elements have a single connection point for installation. The body of the Bover Tria Set 3 is 57 cm long, 40 cm high and 11.5 cm deep. The three individual elements of the lamp can be easily moved and emit indirect light. There is a dimmable and a non-dimmable version of the Bover Tria Set 3 available. The dimmable version of this LED wall light can be dimmed on site using a phase dimmer (TRIAC).

This lamp is on offer in three versions:

1. all three elements in white satin lacquered
2. all three elements in natural oak
3. outer elements in white satin lacquered and middle element in natural oak
