Descripción

The Brokis Knot Small Disco smoke brown is 14.5 cm high and has a diameter of 30 cm. It has a mouth-blown glass in smoke brown. Top of the glass is an integrated metal reflector, which is worked by hand during production. This reflector is available in the colours black matt, brass, brushed stainless steel and copper. The canopy always has the matching colour to the reflector. The cable running through the lamp is tied in a knot at the bottom. On request, the pendant lamp is available as a not dimmable version. The Knot Small Disco is here available with a smoke brown glass, it is also offered with a smoke grey, transparent or opal glass. From this series is also on offer the larger Knot Disco with a diameter of 50 cm.
