

Cini & Nils

Convivio pendant lamp 2-lights LED

Oberfläche

- cromo
- negro

Technical details

País de origen	 Italia
Fabricante	Cini & Nils
Diseñador	Luta Bettonica
Diseñador 2	Mario Melocchi
año	2005
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
Díámetro en cm	11
material	acero, aluminio, latón, vidrio
longitud del cable	385 cm
Ajuste de altura	altura determinada
Atenuación	Regulable en el sitio con control de fase inversa
LED	incluyendo
Índice de reproducción cromática	92
Temperatura de color en grados Kelvin	2.800 blanco cálido
Dimensiones del dosel	14 cm
El rendimiento del sistema	2 x 13 Watt
Flujo total luminoso en lm	2.600
Dimensiones	H 65 cm Ø 11 cm

Descripción

The Cini & Nils Convivio pendant lamp 2-lights LED emits its light directly downwards, whereby the light is bundled by transparent glass lenses. This creates a distinctive, clear illumination. The 2-lights pendant lamp has a decentralised canopy, so that the lamp can be installed independently of the power supply. In addition, it is also possible to choose any distance between the two pendulums during installation.

The Convivio pendant lamp is available in black matt and chrome finish. Two LEDs are integrated as light sources, which can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed via Bluetooth with the Casambi app by smartphone / tablet. On request, the pendant lamp can be supplied with an already integrated Casambi module. The cable length can be set individually by the installation.
