Descripción

The Mawa Oval Office 3 can be mounted both on the wall and on the ceiling. The light is emitted directly downwards from the lamp and is glare-free thanks to a satinised diffuser made of acrylic glass. The Oval Office 3 has a length of 37.5 cm and a width of 9.5 cm. Its height is 10.4 cm. The lamp is made of aluminum and is available in the powder-coated surfaces dark bronze, white matt and DB702 grey metallic. The integrated LED is on site dimmable with leading edge or trailing edge phase dimmer. It is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white.
