Descripción

The Brokis Knot Cilindro smoke brown pendant lamp has a mouth blown glass. At the top of the glass there is a metal reflector integrated, which is handcrafted during production. The reflector is available in the colours black matt, brass, brushed stainless steel and copper. The canopy always has the same colour as the reflector. This lamp is 46 cm high and has a diameter of 30 cm. The special feature of the Knot lights is the cable running through the lights, which is tied in a knot at the bottom. The Knot Cilindro smoke brown is on request also available as not dimmable version. In addition to this lamp with smoke brown glass, lamps with a smoke grey, transparent or opal glass are also offered. In addition, the smaller Knot Small Cilindro with a diameter of 18 cm and a height of 28 cm is available from the collection. On request there is a not dimmable version available.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
