Descripción

The Arturo Alvarez Virginia VG04A pendant lamp has a lamp shade in painted stainless steel mesh. Its lamp shade has a diameter of 38 cm and a height of 40 cm. It is available in white and grey. On request, the lamp is also available in taupe and beige. The light is emitted from this lamp directly downwards and also through the lamp shade into the room. The pendant lamp has a maximum height of 150 cm and a transparent cable that can be shortened if necessary. It is also available with a black cable on request. The Virginia VG04A is offered in an E27 or LED version. The E27 version has an E27 socket and is operated with a replaceable LED retrofit. The version with integrated LED can be dimmed on site and has a colour temperature of 2,700 Kelvin extra warm white. On request, it is also available with 3,000 Kelvin warm white and as a DALI dimmable light.
