Descripción

The Gio Nera 19mm is a rectangular shaped pendant lamp with a glass thickness of 19mm. The light is emitted by it glare-free downwards and sideways. The pendant lamp is particularly suitable for table lighting. The glass of the lamp is available in clear or optiwhite.

The Nera is offered with a length of 145 cm or 250 cm. All lamps are dimmable on site with trailing edge phase dimmer and are operated with integrated LEDs. On request, the lamps are also available DALI dimmable or with Casambi module. The version with Casambi module can be dimmed by Smartphone / Tablet via Bluetooth. The transparent ropes of the lamp can be shortened if required.

The Nera is also offered with a glass thickness of 10 mm and a length of 78 cm or 110 cm.
