| <b>cabeza del alumbrado masa</b>             | 29 cm  |
| <b>Dimensiones</b>                           | H 12 cm  |

### Descripción

The warm white light of the Lupia Licht Vasco table lamp is emitted upwards and can sufficiently illuminate walls, ceilings and high rooms. The lamp head of this table lamp has a diameter of 28.5 cm and can be swivelled by means of an integrated joint. The total height of the Lupia Licht table lamp is 11.5 cm. The Lupia Licht Vasco is offered in different surfaces. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as a light source. Via a slide dimmer on the 250 cm long cable, the Lupia Licht Vasco can be switched on/off and the brightness can be dimmed. The Vasco table lamp comes from the manufacturer Lupia Licht from Germany.
