<b>Temperatura de color en grados Kelvin</b>	2.700 extra blanco cálido
<b>El rendimiento del sistema</b>	1 x 5 Watt + 2 x 8,5 Watt
<b>Flujo total luminoso en lm</b>	2.140
<b>Dimensions</b>	H 12 cm   B 8 cm   L 52 cm

### Descripción

The rectangular LED ceiling light Bopp Session 3-light is made of aluminium and emits warm white light glare-free directly and into the room. This LED ceiling light in the smoothed aluminium finish is 52 cm long, 8 cm wide and 12 cm high. The rectangularly designed lamp has a combination of a central tiltable and rotatable spotlight light head and two permanently installed light elements. The central, tiltable and rotatable spotlight head enables precise alignment of the light source. The lamp is available in three versions: dimmable with a trailing edge and / or leading edge phase dimmer, with a Casambi module or with a ZigBee module. With a Casambi module, it is possible to operate the ceiling light via smartphone or tablet using the Casambi app via Bluetooth. With a ZigBee module, the lamp can also be regulated via voice control. Both modules allow the lamp to be controlled via app.
