Orbital Wall

Glasfarbe

- rosa
- negro
- blanco
- claro

Wandhalterung Oberfläche

- oro
- plata

Technical details

País de origen	 Chequia
Fabricante	Bomma
Diseñador	Studio deFORM
Índice de protección / Protección IP	IP20
Contenido del paquete	LED 230 Volt
Profundidad en cm	16
Diámetro en cm	36
material	acero Inoxidable, crista vidriol
Atenuación	Regulable en el sitio
Base / Portalámparas	E27
Alimentación (máx. Watt)	13 Watt
LED	incluyendo
reemplazo de la bombilla:	en el sitio mismo
Dimensions	Ø 36 cm

Descripción

The Bomma Orbital Wall is a wall lamp with a mouth-blown glass. It has a diameter of 36 cm and a depth of 15.5 cm. The light is emitted through the glass homogeneously and glare-free in all directions, thereby creating numerous light reflections on the lamp. Each glass is individually made of mouth-blown crystal glass. Any small bubbles or irregularities in the glass are a characteristic of traditional glassblowing. During the production of the coloured glass, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly durable. As each glass is unique, the colour shade and intensity can vary.

The Orbital wall lamp is available in the glass colours polaris white, venus pink and clear. The wall mounting made of stainless steel is available in the surfaces silver or gold patinated. The lamp socket behind the glass has the same surface as the wall mounting. A replaceable Globe LED Retrofit can be used as the light source.
