Contenido del paquete	LED
Diámetro en cm	57
material	crista vidriol, metal
Color del cable	transparente
longitud del cable	250 cm
Ajuste de altura	altura determinada
Base / Portalámparas	G4
LED	incluyendo
Dimensiones del dosel	62 cm
reemplazo de la bombilla:	en el sitio mismo
El rendimiento del sistema	9 x 1,2 Watt (max.)
Dimensions	Ø 57 cm

Descripción

This Bomma Dark & Bright Star chandelier consists of five Large and four Small pendant lamps on a round canopy. The nine lamps of this chandelier always have the same glass colour. The glass colours white and cigar brown are available. The white coated canopy has a diameter of 62 cm and a height of 6.2 cm. The white lamps have a suspension in anthracite, the cigar brown ones have a suspension in brass brushed.

Each glass is individually made of mouth-blown crystal glass and is therefore unique. With traditional glass blowing, small bubbles or irregularities may possibly appear in the glass. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. As each glass is finished by hand, colour intensity and shade may vary. Each lamp has a G4 socket and is operated with a replaceable LED retrofit.

The cables of the Dark & Bright Star are a maximum of 250 cm long and can be shortened if necessary. On request, Bomma also offers chandeliers with up to 26 lamps with the available glass colours and suspensions.
