

Bomma

Pebbles Pendant Small

Configuration 6-7-8

Version

- gris
- verde
- rojo

Technical details

País de la Fabricación	 Chequia
fabricante	Bomma
diseñador	Boris Klimek
protección	IP20
Volumen de suministro	LED
Diámetro en cm	30
material	crista vidriol, metal, Textil
Color del cable	negro
longitud del cable	250 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio con control de fase inversa
Potencia en vatios	17,9 W
LED	incluyendo
Indice de reproduccion cromatica	>90
El flujo luminoso en lm	2.680
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	27 cm
Dimensions	H 79 cm Ø 30 cm

Descripción

This Bomma Pebbles Pendant Small consists of three differently shaped glasses. With this pendant lamp, two of the three glasses are always in the same colour combination. The middle glass is offered in the versions light grey, red or green. The other two glasses always have these colours:

- the top glass is light grey
- the lowest glass is white.

If desired, the three glasses of the lamp can also be arranged in a different order. Each glass is made individually from mouth-blown crystal glass. With traditional glassblowing, small bubbles or irregularities may appear in the glass; these are signs of craftsmanship. During production, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly long-lasting. Each glass is individually hand-worked, so the colour intensity and tone can vary.

The metal suspension of the pendant lamp is powder-coated in matt black. The cable has a maximum length of 250 cm and can be shortened if necessary. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white. Bomma also offers the Pebbles pendant lamp in other colour and shape combinations of the glasses. A lamp with any glass combination can also be put together on request.
