

Domus

Drum

Technical details

País de la Fabricación	 Alemania
fabricante	Domus
año	1997
protección	IP20
Volumen de suministro	Leuchtmittel/ Bulb
Diámetro en cm	14
material	Lunopal, madera
superficie	blanco
Atenuación	Regulable en el sitio
base/porta lámparas	E27
Alimentación (máx. Watt)	50 Watt
Dimensions	H 15 cm Ø 14 cm

Descripción

The Domus Drum ceiling lamp scores with its simple Scandinavian design that never goes out of fashion. The lamp body made of beech wood is surrounded by a white lampshade made of Lunopal. Lunopal is a high-quality shade material that was developed by Domus. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant and does not yellow. The Domus Drum ceiling light has a diameter of 14 cm and is 15 cm high. The Drum ceiling light has an E27 socket and can be operated with conventional halogen bulbs as well as with LED retrofit bulbs.
