### Descripción

The Ingo Maurer Lucellino Table Replacement LED Ambient is suitable for the Lucellino table lamp from model 2022. The specially made LED bulb is a low-voltage LED with 12 volts and a wattage of 5 watts. The bulb is supplied with a 44 cm long and red cable. When dimmed, the light colour of the lamp changes to a warmer tone (from 2,700 Kelvin to 2,000 Kelvin extra warm white) due to the dim to warm technology.
