### Schirmfarbe

- rojo
- marfil pálido
- marrón

### Technical details

<b>País de la Fabricación</b>	 España
<b>fabricante</b>	Bover
<b>diseñador</b>	Joana Bover
<b>año</b>	2022
<b>protección</b>	IP65
<b>Volumen de suministro</b>	LED
<b>material</b>	acero Inoxidable, aluminio, policarbonato, polietileno
<b>ajuste de altura</b>	altura determinada
<b>Atenuación</b>	Regulable en el sitio con control de fase inversa
<b>Potencia en vatios</b>	9,5 W
<b>LED</b>	incluyendo
<b>Índice de reproducción cromática</b>	90
<b>El flujo luminoso en lm</b>	1.450
<b>Temperatura de color en grados Kelvin</b>	2.700 extra blanco cálido
<b>Dimensiones del dosel</b>	12 cm
<b>Diamètre de l'ombre</b>	32 cm
<b>Altura de pantalla</b>	31 cm
<b>reemplazo de la bombilla:</b>	en el fabricante / en la fabrica
<b>altura total</b>	200 cm

### Descripción

The Bover Nans S/31 Outdoor pendant lamp has a lamp shade made of a hand-woven, synthetic polyethylene fibre. The lamp shade has a diameter of 31.5 cm and is 30.7 cm high. The synthetic polyethylene fibre is so resistant and weatherproof that this lamp is also suitable as an outdoor lamp. With a protection rating of IP65, the pendant lamp is dustproof and protected against water jets from any angle. The light is emitted glare-free downwards through a diffuser made of polycarbonate. Due to the structure of the hand-woven lamp shade, the light is also emitted sideways.

The Nans S/31 Outdoor is offered with a lamp shade in the colours red, brown and beige. Its canopy made of stainless steel and aluminum always has a graphite-brown colour. The suspension of the lamp can be shortened if necessary. Its maximum total height is 200 cm. The pendant light is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white. The LED can be dimmed on site with a trailing edge phase dimmer. A DALI or 1-10 volt dimmable version is also available on request. In addition, a version that can be dimmed with a Casambi module by smartphone via Bluetooth is also offered on request. This optionally available version with Casambi module can be operated easily and intuitively via mobile devices using the free CASAMBI app (iOS and Android). Casambi thus expands the control options with functions such as dimming, grouping of lamps, programming of groups and scenes, automations and much more.

Cala Nans is a small cove in Cadaques (Spain), accessible only by footpaths or by sea. An unspoilt corner of the Mediterranean, where the vegetation and the vigilance of an old lighthouse make this place a primordial spot where all you can hear is the sound of the sea and the birds flying over the coast. The Nans lamp is characterised by high-quality craftsmanship of the lamp shades and creates a true Mediterranean style.
