### Descripción

The lamp shade of the Bover Platet A/02 wall lamp emits its light directly downwards and onto the wall behind the lamp. This creates a wide cone of light on the wall. The conical lamp shade has a diameter of 20 cm. In total, this lamp has a projection of 30 cm and a height of 40 cm.

The Platet A/02 is offered with a lamp shade in the surfaces terracotta, light grey, olive grey and antique brass. From the inside, the lamp shade is in white. Wall bracket and lamp arm are in black. The wall bracket is 15 cm high and 5 cm wide. There is an on/off switch at the bottom of the wall mounting. The E14 socket of the lamp is operated with a replaceable LED retrofit.
