The Licht im Raum Ocular 2 LED Series 100 is a pendant lamp with a length of 56 cm and a width of 24 cm. Its two lenses each have a diameter of 100 mm and can be swivelled. The Ocular lenses focus and control the light in a precise, glare-free manner, creating superior light quality. The lamp distributes its light focused and homogeneously downwards through the lenses.

The Ocular 2 LED Series 100 is available in the surfaces stainless steel brushed, stainless steel hand-polished, black matt, white, brass natural and black / gold. Two long-life, extra warm white LEDs are included as illuminants. The pendant lamp can be regulated via a rotary dimmer integrated in the lamp.
