

Foscarini

Chapeaux V

Farbe

- gris
- blanco cálido

Technical details

País de origen	 Italia
Fabricante	Foscarini
Diseñador	Rodolfo Dordoni
año	2023
diámetro	29
Materiales	Metall, Glas
Color del cable	transparent
Longitud del cable	155 cm
Regulación de intensidad	Regulador táctil
Potencia en vatios	7,5 W
LED #	inclusive
Índice de reproducción cromática (CRI / Ra)	>90
Flujo luminoso en lm	900
Temperatura de color en kelvin	2.700 blanco cálido extra
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
Dimensions	H 47 cm Ø 29 cm

Descripción

The compositional elements of Chapeaux V, the table lamp with direct and diffuse light designed by Rodolfo Dordoni, have been reduced to a minimum. At the centre of the design are three shades - different in shape, material and finish - that rest freely on a central, cylindrical borosilicate glass body open at the ends, which also carries the light source: an opal polycarbonate ampoule that encloses the lighting components and appears to float in the glass. The brushed aluminium bracket attached to the top is a touch dimmer with three light levels that saves the last selection when controlled by a wall switch. In the V version, the shade is made of hand-blown flashed glass with a glossy surface. The light partially flows through the shade and illuminates it from the inside to create a soft atmosphere. In the warm white version, the glass colour is white when switched off and ivory when switched on thanks to an inner layer of glass in a straw yellow shade.
