Description

The Foscarini Plass Grande is a large pendant lamp. It was designed by Luca Nichetto in 2011. It has a diffuser out of polycarbonate in grey. This diffuser is 115 cm in height and 75 cm in diameter. The pendant lamp has a suspension of at maximum 490 cm, the cable can be shortened as needed. On request, the lamp is offered with a longer cable.

Available in blue and grey, Plass Grande is perfect alone or in multiple composition to define both large and high rooms. This light is equipped in its halogen version with two different bulb kinds at same time: 1. 6x G9 halogen lamps with a maximum of 60 watts and 2. 1x E27 halogen lamps with a maximum of 100 watt. For the E27 lamps, also LED retrofit can be used. Also a version with an integrated LED is offered.
