

Vibia

Origami 4501

surface

- terra dark
- brun
- vert
- blanc

Technical details

Pays de fabrication	 Espagne
Fabricant	Vibia
Créateur	Ramón Esteve
année	2011
Indice de protection / Indice IP	IP65
Contenu de la livraison	LED
Profondeur en cm	7
matériel	ABS, polycarbonate
atténuation	dimmerable sur place avec commande gradateur de phase inverse
Puissance en Watt	6,3 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	756
La température de couleur en Kelvin	2.700 extra blanc chaud
remplacement des ampoules :	sur le site meme
Dimensions	H 30 cm B 30 cm

Description

The Vibia Origami 4501 is one of two one-flame square wall lights in this collection of lamps. It differs from its sister version, the Origami 4500, only by the arrangement of its "folds". A large crease runs for this wall light like a zigzag pattern. Precisely because of these folds, the entire collection was given its name because the lights are reminiscent of the Japanese art of paper. The light is made of polycarbonate and ABS. It is offered in white, green, terra dark or brown. The design was created by Ramón Esteve.

The Origami 4501 can be used both for interior lighting as well as outdoors. A modern LED serves as lamp with 6.3 watts. The wall lamp can be dimmed on site with a trailing edge phase dimmer. To a wall terminal up to 30 modules of this lamp can be connected. For larger compositions ask us for a special connection system. If you need help in configuring your personal origami Wallart combination, please contact us also.
