<b>protection</b>	IP66
<b>Contenu de la livraison</b>	LED
<b>matériel</b>	fibre de verre, méthacrylate, résine
<b>LED</b>	y compris
<b>Indice de rendu des couleurs</b>	>90
<b>Flux lumineux en lm</b>	906
<b>La température de couleur en Kelvin</b>	2.700 extra blanc chaud
<b>Les performances du système</b>	5 x 2,1 Watt LEDs
<b>Dimensions</b>	H 190 cm

## Description

The Vibia Bamboo 4810 is a floor lamp for outdoor use with 2 lighting rods and five light sources. One of the rods has a height of 90 cm, the other one rod has a height of 190 cm. Antoni Arola and Enric Rodríguez have created the design for all lamps of the series. The light is available in the surfaces khaki, brown and off-white.

Five efficient 2.1 watt LEDs are included to ensure a direct, selective light emission. With the protection class IP66, the Bamboo 4810 - 4815 is well protected against splashing water. It is also dust proof. The outdoor light is offered as a recessed lamp or as a light for mounting on the ground. As recessed light Bamboo 4810, it is anchored directly into the ground, but can be converted in combination with the accessory 4815 also to a ground mount light.
