Description

The Ingo Maurer 24 Karat Blau Pendant Lamp creates an amazing effect. The gold leaf of the shades is very finely beaten thus short-wave blue lighting can shine through the molecules while a yellow-golden lighting is reflected. The four square gold leaf discs of this pendant lamp by Ingo Maurer inserted into acrylic glass are hanging inside the lampshade attached to a cross out of wire. You may mount these discs either horizontally vertically or diagonally.

The inner sides of the Ingo Maurer 24 Karat Blau shine golden and the outer sides radiate in blue. The red cable is both current supply and suspension. The 24 Karat Blau is perfectly suitable to be used for private purposes as well as in public areas. The Ingo Maurer 24 Karat Blau Pendant Lamp is on offer in two cable lengths: 230 cm in length and 450 cm in length. Please note that the cable can be cut to length individually. The cable is in red.
