

IP44.DE

Lumen Down

Technical details

Pays de fabrication	 Allemagne
fabricant	IP44.DE
concepteur	Kressel & Schelle
protection	IP55
Contenu de la livraison	LED
Profondeur en cm	11
matériel	acier Inoxydable
surface	acier Inoxydable
atténuation	dimmerable sur place avec commande gradateur de phase inverse
Puissance en Watt	10 W
LED	y compris
Flux lumineux en lm	190
La température de couleur en Kelvin	3.000 blanc chaud
technologie	Ivylight
répartition de la lumière	directement
Dimensions	H 5 cm L 22 cm

Description

The IP44.de Lumen Down is a wall lamp of cuboid form. In contrast to the Lumen, it emits the light only in one direction, and this can be down- or uplight. It was created by the design team Kressel & Schelle.

The diffuser is made of opal toughened glass. Fitted is the light with the specially developed by IP44.de IvyLight LED technology. So more light efficiency is produced with less power consumption. In addition, the IvyLight LEDs were optimized so that they are more durable than other LEDs.

With a protection class of IP55, the Lumen Down is protected against splashing water and dust.
