### Description

The less'n'more Fyps Floor Light reaches a height of 100 cm. Like the table lamp in this series the floor lamp has also an inclined standing tube made of polished aluminum as glow stick. The light head also made of aluminum can be both swiveled and turned. So your space can be re-illuminated repeatedly.

In the light head of the Fyps Floor Light an LED rests with a power of 4.5 watts and a colour temperature of 2,700 Kelvin extra warm white. A cord dimmer adjusts the brightness of the lamp continuously. The round lamp stand of the floor lamp has a diameter of 17.5 cm and is made of black, powder-coated steel. This is a **discontinued item**.
