Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
matériel	acier, aluminium
atténuation	sur la tête de lampe
Puissance en Watt	16 W
LED	y compris
Indice de rendu des couleurs	90
Flux lumineux en lm	598
La température de couleur en Kelvin	2.700 extra blanc chaud
longueur du bras	190 cm
tête de luminaire masse	9 cm
Dimensions	L 192 cm

Description

The Luceplan Counterbalance is a black wall lamp, which can be aligned in the room at will cause of its swiveling light arm. The counterweight balances the movements of the long arm with help of gear wheels and guarantees the stability of the lamp head. The lamp head is made out of lacquered aluminum, the body is made of matt lacquered steel. Different brightness levels can be set with the dimmer on the lamp head. Daniel Rybakken designed the wall light in the year 2012. Apart from this light, also a spotlight as well as a floor lamp are on offer from this series.
