<b>LED (remplaçable)</b>	oui
<b>La température de couleur en Kelvin</b>	2.700 extra blanc chaud
<b>tête de luminaire masse</b>	6 cm
<b>Dimensions</b>	B 9 cm

## Description

The less'n'more Mimix Concrete Wall Spotlight is available as a 2-light spot . The two-lamp version of the wall lamp emits both downward and upward lights. Two different surfaces are available for the lamp.

The body of the concrete casing can be painted or plastered, so that only the LEDs of the lamp are visible. The spotlight can be dimmed on site. The lenses can be adjusted and so also the light.
