Les performances du système	16 x 4,5 Watt
Dimensions	B 73 cm L 73 cm

Description

The Licht im Raum White Moons 4x4 wall light is the largest lamp of this group, which has already been awarded several prizes. This Licht im Raum lamp is equipped with sixteen lamp shades, each emitting a downward and upward lighting. Because the shades are aligned differently, a play of light reflections is created. This lamp is supplied with a polished stainless steel wall bracket. On request, the lamp is also available with a brass wall bracket.
