

Foscarini Allegro Vivace Halogen

Technical details

Pays de fabrication	 Italie
fabricant	Foscarini
concepteur	Atelier Oï
année	2007
protection	IP20
Diamètre en cm	70
matériel	aluminium, métal
surface	cuivre
longueur de câble	490 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmable sur place
Transférabilité	Lampes commutable séparément
canopée Dimensions	21 cm
Les performances du système	1 x E27 100 Watt + 1 x R7s 300 Watt (max.)
lampe incluse	non
Dimensions	H 98 cm Ø 70 cm

Description

The Foscarini Allegro Vivace Halogen is a pendant lamp consisting of copper lacquered metal. The halogen light is equipped with two lamps, which can be switched separately.

The adjoining lines make the light float in balance, thus, creating an artful composition of light. This light will have an impression on the atmosphere both in the private area as well as in the public area due to its strong presence.

This Foscarini light is especially suitable for emphasizing as well as for underlining concepts as it is 98 cm in height and 70 cm in diameter at its widest place.

The Foscarini Allegro Vivace Halogen is attached to the round canopy by means of three ropes. The length of these ropes is determinable if needed.
